21 May 1952

Dear Dr. Neumann:

Now that the ceremony is over and I am commencing to pick up loose ends, permit me to thank you, as I do most cordially, for your great kindness in permitting me to use the Anthony volumes from the library. You were also extremely generous in going to the trouble of getting the copy of Rheta Childe Dorr's book from Columbia, and I am grateful to you.

I hope that you and your parents were at the ceremony Sunday, and enjoyed it.

Cordially yours,

Bertha L. Lyons (Mrs. N.)
